1. A marketing committee is working to interest golfers to join the Tilden Club.
2. There was a long and loud discussion about a rule that was given during the Top Ten Tournament. It involved the area on the 14th hole.
 - One of the managers of the tournament announced that any shot that went outside of the Red Stakes was allowed to be taken inside of the stakes with no penalty. Not all of the players heard the rule.
 - The discussion revolved around the point that rules should not be changed during a tournament. In so doing some of the players are not informed.
 - After many differences, it was agreed that next year there will be different managers. Also, one member resigned from the club

3. There is a movement to eliminate the mailing of the minutes, and to use Email to inform the members of the meeting minutes. This would save some operating costs. It was established that the members should inform me of the manner in which they want to receive the minutes, Email or regular mail.
4. Called on the Dinner Committee Chairman for the February menu and time.

Dinner Committee Chairman:

After some time it was decided that the dinner, whatever it is, will be served at 6:30 pm.

President Matt Wilpolt:

Called for and received a motion to adjourn the meeting. The motion passed, and the meeting was adjourned at 8:02pm.
