**GOLF QUESTIONS** - Answers to last month's quiz are attached in a separate file sent with the Minutes (or copied below the Minutes in the email version).

**NEW QUIZ - May 2010**

1. What is the difference between "placing" the ball and "replacing" the ball, and how is it done, and by whom?

2. You see your ball land in a bunker, but when you walk up to it, the ball is nowhere to be found. What can you use to sift through the sand to find the ball? (a) your hand; (b) your feet, (c) your club, (d) none of the above, or (e) all of the above?

(3) You ask your opponent to tend the flagstick as you attempt a 60 foot putt, because you can barely see the whole. He asks if you are talking to an imaginary friend because there is no way he is going to tend the flag for you. Does he have to honor this request?
